| Time to play                             | Early Support and Learning Provision, providing opportunities for children with disabilities or complex medical needs to learn and explore through play independently, whilst providing a short break for their parent and carer. For further information or to book a place please email: <a href="mailto:CWDLincolnshire@eyalliance.org.uk">CWDLincolnshire@eyalliance.org.uk</a> |
| Speech and Language Drop in              | Drop-in for parents and carers to chat with a speech and language assistant where they may have concerns about their child's speech and language development.   |
| Early Talkers                            | This session will support children to become confident communicators through songs, rhymes, exploring and sharing books.  |
| Little explorers                         | A sensory play session encouraging children to explore a range of messy play activities such as water, sand, crafts, gloop and play dough.  |
| Pop in and play 0 to 5 years             | An opportunity for babies and children to pop in with their parents and carers to use the resources in the early years room in the centre. All we ask is that families clean and tidy the resources after use and the space is a safe and happy environment for all.  |
| Multinational stay and play 0 to 5 years | Fun activities for children and families to explore together, singing and sharing books to support children's confidence, independence and language development. These sessions are supported by PAB languages.   |
| Moving on up! 0 to 5 years               | This session offers a range of fun activities to support children developing their independence and social skills through play.   |
| Let's get active 0 to 5 years            | Children will be encouraged to be active in a range of activities such as running, jumping, balancing, climbing and throwing to develop their coordination.   |
