A message from Mrs Foston...

Summer term 2 has already set off to a very busy start! We are incredibly excited for all of the events ahead and look forward to welcoming you into school as part of our activities and celebrations.

Summer has arrived!

As the days get warmer, please do send your child in appropriate clothing, applying sun cream in the morning and providing a hat. Please can flip flops not be worn for health and safety reasons. Please ensure any sandals have a strap around the back of the heel. If your child does bring sun cream into school, this must be named and is only for your child's use. They will need to apply this independently.

Staffing

I am delighted to inform you that Mrs Sarah Ogden has been appointed on secondment for next academic year as Deputy Headteacher. On behalf of the federation, I would like to thank Sarah for her continued commitment and dedication to our schools and congratulate her on her appointment

As our federation continues to grow, both Mrs Ogden and Mrs Tubb will be focusing upon developing their executive leadership roles across the federation and therefore will not have full time class teacher responsibility over the next academic year. Mrs Foston, Mrs Ogden and Mrs Tubb will be allocating specific days to work in both of our schools and a member of the safeguarding team will always be onsite.

Mrs Julie Wadsworth is re-joining our support staff team in September. We are delighted to welcome her back to Donington Cowley.

Welcome to Mrs Francis Goodge who will be joining our team as our new Attendance Officer from September.

We have appointed our Nursery Manager, Mrs Kayleigh Timings, who is already part of our Federation and is joining us from St Gilberts. We are also pleased to welcome Miss Kourtney Lewis as our new Nursery Assistant and Miss Charlotte Sandall who will be a Nursery Assistant/Teaching Assistant.

We are delighted to welcome Miss Emma Sintim to Donington as a new Class Teacher. She will be joining us for our transition morning on the 21st July to meet the children before starting in September.

Mrs Holly Fulbrook, Badgers class teacher, will be leaving at the end of this academic year. We wish her well in her future endeavours.

Mrs Alyson Coxhead will be taking a wider Federation role as SEND HLTA and Deputy Designated Safeguarding Lead. We wish her well in her exciting new role!

With so many things going on in school, please make sure you are keeping an eye on ParentMail so you do not miss important information. It is best to download the app so you receive notifications as soon as communication is sent.

Thank you for your co-operation.

Attendance - Punctuality Matters

Frequent lateness can negatively affect your child's mental health, learning ability, concentration and friendships. Lates & absences are monitored daily & may result in a letter. This is because children who frequently arrive late are at a significant disadvantage compared to those who arrive on time, every day. Children who arrive on time are able to settle quickly into class and apply themselves more successfully. Arriving on time for school is important as late arrivals are disruptive for the class and can be embarrassing for the child who is late. Children can also miss important information during registration including the plan for the day.

- Gates open at 8.45am
- Late arrival is between 9.00am and 9.25am
- Arrival after 9.25am is recorded as Unauthorised

We understand that school mornings can be hectic, but did you know?
Being 15 minutes late each day is the same as missing two weeks of school to their learning.

"Be on time if you can't be there early" - Robin Sharma

SEND - Transitions

As a parent or carer, you can help!

Starting conversations with your child and finding out how they feel about the transition is a great start. Asking them what they are looking forward to, what they will miss about their old school and/ or class. Thinking about what they enjoy doing and what they find difficult. These are all ways of helping your child get ready and make the best possible transition.

Below are some different resources that you might like to use if you want further guidance on supporting your child. Please also check our school website- SEND and Inclusion-padlet- transition section. If you have concerns about the changes coming, please don't hesitate to get in touch with the school.

Reading

This term our reading ambassadors have enjoyed seeing all the amazing entries to our book in a box competition! These all looked fabulous and clearly so much time and effort was put in. Please see our website for photos of some of them! This half term, our reading ambassadors will be exploring links with the local community by introducing our 'book swap' before school and continuing our links with Cowley Academy and St Gilberts.

Maths

Maths at both schools continues to flourish and we are in the midst of another intense Times Tables Rock Stars battle. There continues to be great competition between the classes at both schools, and it is brilliant to see all the children continuing to be involved in these battles. Remember to keep accessing TTRS to make you more of a rockstar.

Reception Intake

We are very excited to welcome our new Reception children. We have thoroughly enjoyed meeting them at our first stay and play, where children had the opportunity to explore our learning environment with their parents/carers. It was wonderful to see new friendships starting to develop! We have a few more transition dates, leading up to one final stay and play where children will have the opportunity to explore the setting on their own.

The transition dates are:

4th July 1:30pm - 2:30pm

8th July 1:30pm - 2:30pm

21st July 9:30am - 11:00am

Year 6 Theatre Visit

Year 6s had a wonderful trip to London to see a West End show. This year the children enjoyed seeing Disney's 'The Lion King'. Sitting in the stalls, children were emersed in the experience and got to see characters up close. This was the first time many of the children had been to the theatre and they thoroughly enjoyed the experience.

Yorkshire Wildlife Park

The children had a fantastic time at Yorkshire Wildlife Park! They got to experience an amazing animals workshops, getting up close and personal to some interesting creatures! Everyone enjoyed finding out more information about the African animals we have been learning about in school!

PTFA

Thank you to everyone who supported the Summer Fair it was another huge success and we raised a massive £1295.99 for the school. The money raised will go towards an electric piano and a new stage. There are other ways you can continue to support the PTFA fundraising.
